Dear Parents and Carers,

I am writing to inform you about an exciting initiative that we are eager for our pupils to be a part of. As you may know, St Margaret Mary's Catholic Infant School is one of the many partner schools which is part of the Archdiocese of Liverpool Schools Singing Programme (SSP), which aims to cultivate a love for singing and enrich our students' musical education.

To further this mission, SSP are planning to create a valuable resource that will enable all partner schools to continue their musical journey even when the Choral Director is not present. To accomplish this, SSP intend to record a video, with the help of SMMI, that will be hosted on a YouTube channel which may be accessed further outside of partner schools.

The recording will take place during school hours on Friday 14th February. SSP will provide a professional videographer to ensure the quality and effectiveness of the resource. This is a wonderful opportunity for our students to showcase their musical talents and contribute to a resource that supports singing education across many schools.

Initially, we would like to offer a maximum of 60 places for our Year 2 children. If your child would like to take part in the recording, please complete and return the slip below before Monday 3rd February. If more than 60 children respond, places will be allocated via a 'lucky dip.'

If you have any questions or would like to discuss this further, please feel free to contact me.

Yours sincerely,

Mrs Moore
Music Subject Lead
