Synod - Re-imagining Pastoral Councils.

In our crazy changing world, it's more important than ever that our parishes can respond to people's needs and share the Gospel in our local communities. Pastoral Councils, rooted in prayer and driven by mission, can be places of discernment and real creativity – but sometimes they're not quite right. Join us for a series of webinars to explore everything to do with pastoral councils from purpose to membership, and from resolving conflict to letting the Spirit lead.

Please note you only need to register once for the series, we will send the link out each time on the day of the event.

Webinars are from 7-8pm UK time.

The next session is on 11th November 2025 The Importance of Relationships and Keeping the Meetings Spiritual

With guest speaker Fr Shaun O'Neill, Diocese of Hexham and Newcastle
