

Barnardo's SENDIASS

Welcome to Barnardo's SENDiass. We provide Special Educational Needs and Disabilities Information Advice and Support Services for children and young people aged 0-25 and their parents or carers where the child has, or may have, special educational needs or disability.

It is free, easy to access and confidential for those families in Knowsley. We can help children, parents and young people take part in decisions that affect their lives.

Who we are and what we do

Knowsley Parent Carers Voice is an independent parent carer volunteer led group developed to support Knowsley families with their children and young adults with Special Educational Needs and Disabilities aged 0-25 years.

KPCV work in partnership with knowsley families, the Local Authority, Health Services, Commissioned Services and third party providers to raise awareness of what additional services are needed, what can be improved, what is working well, and to also feed back into strategic meetings.

Listening to your voice and working with the relevant services we will continue to make a difference.

KPCV offer

KPCV hold regular coffee sessions for parents and carers with guest speakers from the Local Authority, Health Services, Commissioned Services and third party organisations to provide information to empower parents along their SEND journey. We also offer pop up information events, training and signposting to services and share the latest SEND information and surveys.

Join us

We would encourage all Knowsley families with **SEND** children and young people aged 0-25 to become a member and receive our latest information, updates and event details.

Becoming a member ensures the voice of our families, children and young people can be heard. To become a member please email infokpcv@gmail.com to receive a membership link.

Together we can make a difference...
