Anti-Bullying Poster Competition

Dear Parents and Carers,

We are very excited to invite your child to take part in our **Anti-Bullying Poster Competition**.
This year's theme is **"Power for Good."**

We all have a special power — the power to be kind, to help others, and to make our school a happy place where everyone feels included.

We can all use our **Power for Good** to prevent bullying taking place and to stop bullying.

What is Bullying?

Bullying is when someone **keeps being unkind on purpose** to another person.
It might be:

- Saying mean things
- Hurting someone's body
- Leaving someone out of games or groups
- Making fun of someone again and again

Bullying is **not** the same as a one-time mistake or argument.

It happens **over and over again**, and it makes someone feel **sad, scared, or left out**.

We are asking the children to **design and make a poster** that shows how they can use their **Power for Good** to prevent bullying taking place and to stop bullying.

Your child might draw people being kind, standing up for others, sharing, or using kind words.

Please take a few minutes to talk with your child about:

- What bullying means
- How we can tell the difference between bullying and small disagreements
- Ways we can all use kindness, courage, and friendship to make a difference

There will be a **special prize** for one winner **in each year group - Gravity Max tickets for two!**

The **winning designers** will be **celebrated during an assembly**, where they will be presented with their Gravity Max tickets.

How to Take Part

- Create a poster at home using paper, crayons, paints etc (No larger than A3)
- Child's full name and class to be written on the back
- Bring your poster to school on Friday 14th November – no earlier
- We will display all posters around our school to remind us to use our **Power for Good** every day!

We can't wait to see the children's amazing ideas and colourful artwork.

By working together, we can make a difference and create an inclusive bully free school community.

Yours sincerely

Mrs Harris
Safeguarding Officer
Learning Mentor
